

\$30 Reward.

STOLEN, on the 11th inst. from the residence of the subscriber, on the Martintown Road, twelve miles above Hamburg, a Bay Horse, about fifteen and a half hands high, nine or ten years old, with some white hairs on one hip, and some few saddle marks—away backed a little, round body and well made—in good order when taken away, worth \$125. The horse I believe was stolen by a man whose name is Richard Ford, who was committed to Edgfield Jail on the 28th inst. for theft, and says he resides in Lincoln Co. Ga. He is a man of bad character, and is supposed to have traded said horse not far off, or sent him away perhaps by some of his associates in Georgia. It is believed he has comrades in South Carolina, Georgia and Alabama, and that he has paid the penalty of the law at the whipping post, as his back has been well lashed and the scars have not changed their color yet. The Jailor examined him and found such to be the case. The said Ford has recently been trading in horses and mules in this District, and no doubt all were stolen property. It is probable that he and his company carry on the business on a large scale, as he is thought to be a noted villain.

The above reward will be given for the delivery of the horse to me, or for proof to convict the thief trading him.

Rail Road Instalment.

The Stockholders in the Louisville, Cincinnati and Charleston Rail Road Company, are hereby notified, that under a Resolution of the Board of Directors, an Instalment of Five Dollars on each share in the Company, is hereby called for to be paid on or before the 1st day of March next. Payments will be made into the South Western Rail Road Bank of this City or into any Incorporated Bank of good credit in the States of North and South Carolina, Tennessee or Kentucky, or to the Commissioners who may be appointed to receive the same. The Rail Road Bank will be ready to receive such payments on and after the 1st February, and will continue to do so until 2 o'clock, P. M. or the 1st of March next, when the books will be finally closed. Persons who have not received certificates of stock in Rail Road and the Bank, will then receive the same, and those who have already received their certificates will present them in order that the receipt may be endorsed thereon. As this Instalment is called for expressly for the purpose of entitling the Company to the guarantee of the State of South Carolina, for the 2d loan of a million of Dollars already secured in Europe, it is expected to be punctually paid. The following Extracts from the Charters are published for the information of the Stockholders:

RAIL ROAD CHARTER.
Sec. 22d, "Any failure to pay according to the Rules of the Company, any of the Instalments called for, shall induce a forfeiture of the share or shares, on which default shall be made."

RAIL ROAD BANK CHARTER.
Sec. 19, "Each share in the Bank, shall be inseparably connected with a share in the Rail Road Company, and shall never be transferred without it, and the forfeiture of a share in the Rail Road Company for the non-payment of any Instalment called for thereon, shall induce a forfeiture to the Bank Corporation, of the corresponding Bank share."

PUNCTUALITY

Is the life of Business.

THE Subscribers are determined to sell their goods on the most reasonable terms at which they can be afforded. In order that they may be enabled to do so, on the usual terms of credit, they deem it their duty to notify their customers, that they will expect prompt payment.

All accounts are considered due on the first day of January of each year, except by special agreement; at which time they will require the same to be closed; if not, they will charge interest after that time.

And all accounts due, on the first day of January of each year, and not closed within three months after that time, they will consider themselves at liberty to put them into the hands of an officer for collection.

In every well conducted business there should be some principles and rules by which it is governed—and by adopting the above rules we shall be enabled to do justice to ourselves and to all concerned. And what will be better, we shall be enabled to sell our goods to our customers on a credit at cash prices.

We return our sincere thanks to our friends for their liberal patronage, and will try to serve them, so as to meet a continuance of the same.
